Cardboard s.r.o.

EU declaration of conformity pursuant to Article 39 of Regulation (EU) 2025/40 (PPWR)

Obaly Morava, a.s., with its registered office at Tř. Tomáše Bati 1700, 765 02 Otrokovice, Company ID 25252968

hereby confirms that the products of Obaly Morava, a.s., corrugated cardboard, cardboard packaging, transport packaging, folding packaging, inserts and fixing elements, placed on the market of the European Union are manufactured and supplied in accordance with the requirements of Regulation (EU) 2025/40 of the European Parliament and of the Council on packaging and packaging waste (PPWR), to the extent valid and applicable on the date of issue of this confirmation.

It further confirms that:

1. The packaging is designed with a view to minimizing volume and weight while maintaining its functionality and safety.
2. The materials used allow recycling in the paper and cardboard material flow.
3. The products do not contain intentionally added substances restricted by EU legislation above the permitted limits. Based on the Eurofins test protocol AR-26-HD-021735-01, the total of the analysed PFAS was found to be 13 µg/kg, which is well below the limit of 250 µg/kg set by the PPWR. At the same time, no individual PFAS exceeds the limit of 25 µg/kg.
4. Production is carried out in accordance with the principles of environmentally responsible management and quality management.
5. The material composition of the packaging is recorded and can be documented to the customer upon request.
6. Our company continuously monitors the development of implementing acts and technical requirements of the PPWR and undertakes to take the necessary measures to ensure product compliance.

This confirmation applies exclusively to packaging manufactured by Obaly Morava, a.s. according to currently valid technical specifications and known methods of use.

Confirmation does not relieve the customer of the obligation to verify the suitability of the packaging for a specific application and compliance with other requirements arising from national legislation or specific end-use requirements.
